**I don't get sick anymore**

By Deborah Larson on October 21, 2016

I've had problems for YEARS getting sick with sinus and upper respiratory infections. It started with a cold and always built into something more. With the MANY benefits of cayenne, I'm feeling much better. My nose isn't constantly plugged anymore. I have limited post nasal drip, and I can sleep all night and breathe through my nose. This has definitely been a life saver for a long time

[Report abuse](#)**Slight Weight Loss**By [Heidi H](#) on August 11, 2015Package Quantity: 1 **Verified Purchase**

These are great. No "after burn." No burps. I haven't noticed any side effects in the three months I've been taking them. I have, however, noticed a slight weight loss. Not super significant, but enough that it is noticeable. That is without a change in my diet or exercise regimen. I take one capsule in the morning and at bedtime. I think I'm going to start taking one at lunch as well to see if I see more results.

I have no idea. Because I have a lazy kidney and I could not continue to eat it. Maybe it is good to other people but not for me
